

Due to major Downtown Garland Revitalization projects there will be some temporary changes in available parking during the Garland Summer Musicals. The parking lot at City Hall will be closed. Museum Plaza and Austin Street adjacent to the Arts Center will also be closed. However, most of the Granville Arts Center parking lot will still be available.

We would also like to make you aware of the 5<sup>th</sup> Street Crossing Parking Garage which is open to our theatre patrons. The entrance to the garage is on 5<sup>th</sup> Street directly across from The Atrium and next to the 5<sup>th</sup> Street Market. (See the red star ★ below)

Thank you for your support of the Garland Summer Musicals.  
We look forward to seeing you this summer celebrating  
GSM's Spectacular 2013 Season!
